## Subthemes for the conference include:

- Afro-futurism, feminist futurists and surrealist writers and artists
- Rethinking gender, sexuality, family, disability and the bio-politics of what is or is not human?
- The future of the universities, schools, and knowledge production: maroon spaces, insurgent practices, and the future of disciplines and the interdisciplines?
- Post-capitalism: imagining new economic futures
- Revolutions and utopian projects: sustained, incomplete and derailed
- Political, cultural and artist movements that "demand the impossible:" "abolition" and beyond
- The earth's future and the legacies of its past: environmental justice, climate change, indigeneity, land rights, wars and occupations.
